

Student Affairs Committee
Monday, July 10, 2023
5:15 p.m.

MEETING MINUTES

Meeting Location:

Fruitport Community Schools Central Office
3255 E. Pontaluna Rd.
Fruitport, MI 49415

Attendance:

The meeting was called to order at 5:15 p.m. with Susan Franklin, Dave Hazekamp, and Jason Kennedy present.

1. Health Education Textbook and Resource Purchase Recommendation

The Committee discussed the need to purchase new health education textbooks and resources. The Sex Education Advisory Board reviewed each of the resources considered by the health education teachers in the District. The team selected text resources from Goodheart-Wilcox, which were approved and recommended by the District's Sex Education Advisory Board. The Board conducted its first public hearing on June 26, 2023, and will conduct its second public hearing on July 17, 2023. The Board will be asked to approve a cost not to exceed \$45,000 for the purchase of Goodheart-Wilcox health education textbooks, with funds coming out of ESSER to support this expenditure.

2. 2023-2024 High School Handbook

The Committee reviewed changes to the high school handbook for the 2023-2024 school year. These included changes to the date references in the handbook, and updates to a section in the handbook pertaining to foreign exchange students.

3. Overnight Trip Request: Michigan Musicians Abroad Trip to Europe

The Committee discussed a request for an overnight trip from Choir teacher Adelaide Petersmark and Professor Barry Martin (Grand Valley State University) for selected

students from Fruitport High School to participate in the Michigan Musicians Abroad trip to Europe on June 21, 2024 - July 6, 2024. Seven (7) Fruitport students have been selected to participate with approximately 300 other musicians across the state as they perform for communities in London, England, Paris, France, Switzerland, Austria, and Germany. Students will learn from musicians across the world, while having the opportunity to explore world cultures. Students will be provided with fundraising opportunities, and there is no financial impact to the District. A detailed itinerary of the trip will be provided to the Board.

4. Advanced Placement Chemistry and Physics Textbook and Resource Purchase

The Committee discussed the need to purchase new Advanced Placement (AP) textbooks and resources. Recommendations for AP Chemistry and AP Physics were discussed with the Committee, with textbook recommendations for AP Literature, AP Language, and AP Calculus coming at a later date. AP Government textbooks were replaced in 2017. Faculty members from each department made recommendations from the College Board's required textbook list. The Board will be asked to consider the purchase approval of Fundamentals of Physics (Halliday, Resnick, & Walker), and Chemistry (Zumdahl, Zumdahl, & DeCoste) to support these AP courses.

5. **Other:** None

6. **Public Comment:** None

7. **Adjournment:** The meeting was adjourned at 5:24 p.m.

Respectfully submitted by Jason Kennedy, Superintendent
