

Shettler Elementary  
Parental / Guardian Directory Consent Form

\*\*FORM DUE SEPTEMBER 18<sup>th</sup>\*\*

Shettler Elementary PTC is again issuing a student directory for Shettler families! As you know, staff at Shettler cannot assist in passing out birthday invitations, nor provide the contact information of other students to families as law prohibits teachers from doing so. By including your family information in the directory, you will be able to connect with and be connected to other families at Shettler! Please complete and sign the form below, which provides written consent to include your family information in the directory. This information is distributed to Shettler families only. As pursuant to law, we will not release any personal information without prior written consent from you as a parent or guardian.

Be sure to print all information exactly as you wish it to appear in the directory.
