

Fruitport Community Schools  
State Board of Education  
Student Immigrant Status Survey

Fruitport Community Schools is collecting information regarding the country of birth for each of its students. This information will be used by the district to provide immigrant students high-quality instruction and assist in the transition into American society through Title III - Language Instruction for English Learners (ELs) and Immigrant Students Fund. Would you please help by providing the following information?

Thank you very much for your cooperation.

---

Name of Student: \_\_\_\_\_
